**Shabbos Elevators** (Automatic; Non-Grama, Public)

## **Conditions of Certification:**

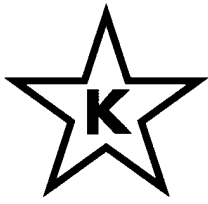

1. These elevators have an automatic Sabbath Mode in which the elevator stops at each floor for a preset amount of time.
2. These elevators may be used by individuals who find it difficult to use stairs due to age, physical limitations, medical needs, or residence on higher floors. Please consult your Rav to determine whether use of the Shabbos elevator is appropriate.
3. Certificate and instructions must be posted on or near the elevator.
4. Elevators must be inspected and recertified to Star-K standards annually.

## **Instructions:**

### **Type 1 (Buzzer)**

While in Sabbath Mode:

- The elevator will automatically stop at every floor.
- Doors will open for a preset interval to allow entry and exit, then close automatically.
- The elevator will emit a **3-second buzzer** warning before doors begin to close. **Do not** enter or exit once the buzzer sounds.
